

PRANEETH BABU MARELLA

Cybersecurity Analyst (CySA+) | Security+

praneethmarella@icloud.com 208-316-6794 Herndon, VA 20170
github.com/pmarella2 linkedin.com/in/praneethmarella

RELEVANT EXPERIENCE

Associate Detection and Response Analyst

Expel

November 2019 – Current Herndon, VA

- Working as part of the security operations team.

Cyber Security Analyst Intern

Symantec

May 2019 – November 2019 Herndon, VA

- Worked as part of the MSS (Managed Security Services) team.
- Investigated security incidents for customers and performed escalation for validated threats.
- Developed a python program that reduced the time needed to process network logs for Netflow analysis from 2-3 hours to 15 minutes.
- Utilized the NIST Cybersecurity Framework and SP 800-53 Rev. 4 to develop a security assessment for customers to understand their relative security posture.
- Produced labs and content that teach Network Threat Hunting using Wireshark for a security analysis workshop.

Election Cyber Security TTX Facilitator & Contributor

Idaho Secretary of State's Office

October 2018 – January 2019 Boise, ID

- Developed a process flow for elections in different Idaho counties and identified potential entry points for attacks.
- Designed realistic threat profiles and built scenarios that highlight the importance of security for the workshop.
- Collaborated with members from the Defending Digital Democracy (D3P) Project at Harvard's Belfer Center to create an event playbook.

PUBLICATIONS

GenVote: Blockchain-based Customizable and Secure Voting Platform

- Authors: Praneeth Babu Marella, Matea Milojkovic, Jordan Mohler, and Gaby G. Dagher. *Communications in Computer and Information Science (CCIS) Journal*, 2019. Springer. 19 pages.

Ancile: Privacy-preserving Framework for Access Control and Interoperability of Electronic Health Records using Blockchain Technology

- Authors: Jordan Mohler, Matea Milojkovic, Praneeth Babu Marella, and Gaby G. Dagher. *Sustainable Cities and Society Journal*, 2018. Elsevier. 16 pages.

EDUCATION

M.S. in Information Security and Assurance

George Mason University, Fairfax, VA

January 2019 – Ongoing

GradCert in Telecommunications Forensics and Security

George Mason University, Fairfax, VA

January 2020 – Ongoing

B.S. in Computer Science

Boise State University, Boise, ID

August 2015 – December 2018

- Minor: Applied Mathematics
- Honors: Cum Laude
